b) 61H1-36.004 Disciplinary Guidelines; Range of Penalties; Aggravating and Mitigating Circumstances

61H1-36.004 Disciplinary Guidelines; Range of Penalties; Aggravating and Mitigating Circumstances.

(1)(a) The board sets forth below a range of disciplinary guidelines from which disciplinary penalties will be imposed upon practitioners guilty of violating Chapter 473, F.S. The purpose of the disciplinary guidelines is to give notice to licensees of the range of penalties which will normally be imposed upon violations of particular provisions of Chapter 473, F.S. The disciplinary guidelines are based upon a single count violation of each

provision listed. The brief description of each violation is provided for quick reference and is not meant to convey all elements of any given statutory provision; the full language of each statutory provision cited must be consulted in order to determine the conduct involved. All penalties at the upper range of the sanctions set forth in the guidelines, i.e., suspension, revocation, etc., include lesser penalties, i.e., fine, probation or reprimand which may be included in the final penalty at the board's discretion.

(b) Standard probationary terms will include, as applicable, a review of the licensee's practice, including analysis of selected financial statements (including working papers), restriction of the scope of the licensee's practice and review of internal controls put in place by the licensee in order to eliminate the violation. All of the above will usually include the use of a CPA consultant employed by the Department of Business and Professional Regulation or approved by the Board and will usually require the licensee to assume the cost of the consultant's activities. Additional continuing education may also be required of a licensee where deficiencies in a particular practice area are noted. In all cases of probation or suspension a report showing compliance with the terms of the final order must be received and accepted by the Board prior to the termination of the probation or suspension. Other specific terms of probation or suspension may be imposed, as necessary, by the Board.
