## **MEMORANDUM**

**To: Organizations Interested in Providing CPE Courses**

**From: Florida Board of Accountancy**

**Re: Guidelines for Providing CPE Courses for Florida CPAs**

You have expressed an interest in providing Continuing Professional Education (CPE) credit to Florida CPAs. Courses qualify for credit based on the course content. As long as a course is on an appropriate subject, (see enclosed CPE Guidelines) it will qualify for CPE credit. Course approval is not required for group study courses, provided the content of the course qualifies based on the above referenced CPE Guidelines.

The CPE hour is equal to 50 minutes. Credit is given in whole hours only; any fractional hours must be rounded down.

When you provide courses to CPAs, you **must** give them the following in writing:

- A course outline or agenda, indicating what subjects were covered and how much time was spent on each subject.
- Written proof of attendance. This must include the attendees' name, title of the course, course date, number of hours earned, organizations' name, and a signature of a representative of the organization who is authorized to verify attendance.

You must also advise participants to retain these documents. CPAs are responsible for keeping this information in their files. It is not sent to the Board office, unless it is specifically requested.

If you publicize programs that qualify for credit, you may include the following statement:

"Courses on (subject of your course) qualify for (name of category) CPE credit for Florida CPAs. Written proof of attendance will be supplied."

## **SPONSOR SYSTEM**

Although a formal sponsor system is offered by the Board of Accountancy, participation in this system is optional. However, pre-approval is required for self-study and ethic courses. No fee is required to participate in the sponsor program. If you are not applying to become an approved sponsor, do not submit form DBPR CPA 5013-1 for review.

If you elect to participate in the sponsor system, you will have additional obligations. You will begin a two (2) year probationary period when you submit your sponsor agreement. You will then be assigned a sponsor ID number that must be used on all correspondence relating to your coursework. You must provide this sponsor ID number to CPAs attending your courses. This number is for the purpose of identification only. During your two (2) year probationary period, you must submit at least six (6) different courses.

Each course for which approval is requested **must** be submitted to DBPR Bureau of Education and Testing at least four (4) weeks prior to the course date. It is the obligation of the sponsor to indicate the number and category of hours requested on form DBPR CPA 5013-1 as well as a course outline. Do not send other information (such as speaker biographies or literature on your firm). Incomplete applications will not be processed.

If sufficient coursework is not submitted during the probationary period, the sponsor agreement will not be renewed. However, if courses are submitted timely, correctly, and the sponsor agreement is maintained during the probationary period, you will be offered a continuing agreement. The requirements for continuing sponsors are essentially the same, with the exception that courses must be submitted seven (7) days in advance of the course.

**Whether or not you become part of the sponsor system, you may NEVER state that your course is approved by the Board of Accountancy. Since we are unable to send verification of approval for each individual course, the statement on the previous page is all that can be published. As part of the sponsor system, you are approved as a course provider only.**

If you offer self-study courses, a separate pre-approval procedure is required. To receive the requirements for offer self-study course, please contact the National Association of State Boards of Accountancy's (NASBA) Quality Assurance Services (QAS) program at [www.nasba.org](http://www.nasba.org) or (615) 880-4200.

If you want to offer ethic courses, a separate pre-approval procedure is required. You can download an application from [www.myflorida.com/dbpr/cpa/forms/cpa\\_5016.pdf](http://www.myflorida.com/dbpr/cpa/forms/cpa_5016.pdf).
