Motion was made by Ms. Caldwell, seconded by Ms. Borcheck, to approve language for 61H1-27.001 College or University Requirements for rule development. Upon vote, the motion passed unanimously.

61H1-27.001 College or University Requirements.

(1) An accredited college or university within the meaning of Section 473.306, F.S., is a four-year degree granting college or university in the State University System or other four-year degree granting educational institution accredited at the time applicant's degree was received by virtue of membership in one of the following regional accrediting agencies so listed:

- (a) Middle States Association of Colleges and Secondary Schools;
- (b) New England Association of Schools and Colleges;
- (c) North Central Association of Colleges and Secondary Schools;
- (d) Northwest Commission on Colleges and Universities;
- (e) Southern Association of Colleges and Schools;
- (f) Western Association of Schools and Colleges;

(g) Association of Independent Colleges and Schools. After August 2, 1992 the Association of Independent Colleges and Schools (AICS) will no longer be deemed an acceptable accrediting agency, unless the college or school accredited by the AICS is regulated by the Commission for Independent Education and exempted from licensure by the CIE under the provisions of Section 246.085, F.S.

(h) Canadian, Mexican, Irish, Australian, New Zealand, and Hong Kong academic accounting programs approved by the provincial education bodies or the equivalent educational accreditation body for that country.

(2) A listing of accredited colleges and universities as recognized by the Board is contained in the "Accredited Institutions of Post-secondary Education"; published by the American Council on Education for the Council on Post-secondary Accreditation as published for the time period the candidate attended the institutions. However, an applicant whose degree was received from a non-accredited college or university may qualify under the provisions of subsection (3).

(3) If an institution was not accredited at the time an applicant's degree was received but was so accredited at the time his application was filed with the Board, the institution will be deemed to be accredited for the purpose of subsections (1) and (2) provided it:

(a) Certifies that the applicant's total educational program would qualify him for graduation with a baccalaureate degree during the time the institution has been accredited, and

(b) Furnishes the Board satisfactory proof, including college catalogue course numbers and descriptions, that the preaccrediting courses used to qualify applicant as an accounting major can be matched with substantially equivalent postaccrediting courses.

(4) If an applicant's degree was received at an accredited college or university as

defined in subsections 61H1-27.001(2) and 61H1-27.001(3), F.A.C., but the educational program used to qualify him as an accounting major included courses taken at either two-year or four-year nonaccredited institutions either before or after graduation, such courses will be deemed to have been taken at the accredited institution from which applicant's degree was received provided it either has accepted by virtue of inclusion in an official transcript, or will accept by certification to the Board, such courses for credit toward graduation.

(5)(a) A graduate of a four-year degree granting institution not accredited at the time the applicant's degree was received or at the time of filing application will be deemed to be a graduate of a four-year accredited college or university course provided an accredited college or university as defined by subsections 61H1-27.001(1) and (2), F.A.C., accepts applicant's non-accredited baccalaureate degree for admission to a graduate business degree program; the applicant satisfactorily completes at least 15 semester or 22 quarter hours, or the equivalent, in post-baccalaureate education at the accredited institution of which at least 9 semester or 13 quarter hours, including at least 3 semester or 4 quarter hours in taxation; or the equivalent, shall be in accounting; and the accredited college or university verifies that the applicant is in good standing for continuation in the graduate program (or has maintained a grade point average in these courses that is necessary for graduation). The advanced subjects completed to qualify under this rule may not be used to satisfy the requirements of Rule 61H1-27.002, F.A.C. Elementary accounting subjects, or courses equivalent to elementary accounting, cannot be used to satisfy the requirements of this rule. Elementary accounting subjects include principles of financial and managerial accounting courses even if they are covered in a three-course sequence, are titled "introductory," "fundamentals," or "principles," and even if they are offered at the graduate level.

(b) A graduate seeking approval under this subsection shall provide at his own expense to the Board, a complete course by course evaluation of any foreign transcripts by an evaluation service as approved by the Board.
