11. Petition for Variance or Waiver

A. Jimenez, Rosa M.

Ms. Jimenez was present.

Ms. Jimenez requested to orally amend her petition to waive all hours. Ms. Clark granted the request to amend the petition.

Motion was made by Mr. Dennis, seconded by Mr. Socorro, to grant the Petition for Variance or Waiver for permanent variance of Rule 61H1-27.002(2), Florida Administrative Code. Petitioner established that the purpose of the underlying statute, Section 473.308, Florida Statutes, would be met were she to be granted a variance from Rule 61H1-27.002(2), Florida Administrative Code, based upon the following relevant facts: Petitioner is an applicant for initial licensure as a certified public accountant (CPA) pursuant to Section 473.308(3), Florida Statutes (FS).

1. Petitioner is an applicant for initial licensure as a certified public accountant (CPA) pursuant to Section 473.308(3), Florida Statutes (FS).

2. Section 473.308(3), FS, provides in part that "an applicant for licensure must have at least 150 semester hours of college education, including a baccalaureate or higher degree conferred by an accredited college or university, with a concentration in accounting and business in the total educational program to the extent specified by the board."

3. Rule 61H1-27.002(2)(a), FAC, provides in part that "for purposes of Section 473.308, F.S., if application for licensure is made after August 1, 1983, an applicant must have at least 150 semester hours or 225 quarter hours of college education, including a baccalaureate degree or higher conferred by an accredited college or university with a major in accounting, or its equivalent. The applicant's total education program shall include a concentration in accounting and business as follows:

(a) 36 semester or 54 quarter hours in accounting education at the upper division level which shall include coverage of auditing, cost and managerial accounting, financial accounting, accounting information systems, and taxation. Not more than 3 semester or 4 quarter hours may be internship programs which may be applied to the 36 semester or 54 quarter hours in accounting (internship courses must be taken in conjunction with other traditional coursework at an institution and must appear on the transcript).

4. Petitioner's application was received on August 21, 2017, and on, August 24, 2017, Petitioner was noticed for a deficiency of nine (9) semester hours of upper-division general business courses as required by Rule 61H1-27.002(2)(a), FAC.

5. Petitioner received a Bachelor's degree in Accounting from Florida Atlantic University in 2015. She passed all four parts of the CPA examination as of August 2017. Petitioner is currently in the process of completing three (3) of the deficient nine (9) hours at Florida Atlantic University.

6. Petitioner seeks a permanent variance from Rule 61H1-27.002(2)(a), FAC, to the extent necessary for the Board to find that she has met the educational requirements for licensure as a Certified Public Accountant. The Board determined that the petition for variance should be granted on the following grounds:

7. Petitioner established that the purpose of the underlying statutes, Section 473.308(3), FS, would be met were she to be granted a variance from Rule 61H1-27.002(2)(a), FAC, based upon:

A. Petitioner has completed a Bachelor degree in Accounting;

B. Petitioner has passed all four sections of the CPA examination as of August 2017;

C. Petitioner has completed over 400 hours of continuing professional education and Petitioner is scheduled to complete an additional 36 hours of CPE by the end of 2017.

The petitioner further established that the Board's application of 61H1-27.002(2)(b), Florida Administrative Code, to her circumstances would violate principles of fairness and impose a substantial hardship on her. Upon vote, the motion passed unanimously.
