Hi Dave:

For the Board to consider sending someone to the Federation of Associations of Regulatory Boards, the conference materials should be provided for their consideration. Board Counsels have been encouraged to seek support from their boards to attend this year based on the special emphasis on anti trust issues.

The 2016 FARB Regulatory Law Seminar (RLS) will bring together leading experts and attorneys from across the country to discuss the latest trends in the licensing of professionals. This first-class educational program delivers the tools and information needed to ensure the efficient and effective operation of state regulatory boards. Designed for assistant attorneys general and board attorneys, the RLS will cover topics related to administrative law and representing regulatory boards. A two hour Thursday evening Professional Responsibility (Ethics) Training has been added as a NEW optional session. The RLS is always interactive and will provide an unparalleled opportunity to network with members of the regulatory community across jurisdictions and professions. As always, throughout the conference, relevant videos and news stories will be presented.

## **FEES**

Registration fee for the Thursday Professional Responsibility (Ethics) session is \$175.00 and includes beverages and light snacks. Registration fee for the RLS is \$750.00 for members and \$800.00 for non-members and includes daily breakfast, lunch on Friday, and a reception Friday evening.

## **ETHICS TRAINING**

This interactive session entitled "Navigating Law and Ethics for the Regulatory Lawyer" is designed as a primer on legal ethics for regulatory attorneys. This course will include an analysis of Rules of Professional Conduct as they relate to the government attorney or the attorney who represents a government agency. Likewise, the session will focus on cases involving the Rules of Professional Conduct as they relate to legal ethics for the government attorney and the duties of those attorneys to the judicial system, the public, clients, and other attorneys.

## **CONTINUING EDUCATION**

FARB is an approved Illinois Minimum Continuing Legal Education (CLE) course provider. We anticipate attendees will earn 12.5 CLE credit hours at the RLS. Attendees can anticipate an additional 2 hours of Professional Responsibility (Ethics) CLE credit if attending the optional Navigating Law and Ethics for the Regulatory Lawyer course. Other professions may be able to use FARB courses as continuing education. Attendees must submit required information to their appropriate jurisdictions as necessary.

## **MEETING MATERIALS**

Prior to the conference, all attendees will receive an email with instructions on how to access the meeting materials online. The meeting website with the materials will be accessible during the conference via Wi-Fi.

## **TRANSPORTATION**

Attendees are responsible for securing their own shuttle reservations. GO Airport Express is offering a one-way reduced \$21 O'Hare fare and \$19 Midway fare.
