The division may stop the sale, and supervise the proper destruction, of any food or food product when the director or designee determines that such food or food product represents a threat to the public safety or welfare. If the operator of a public food service establishment licensed under this chapter has received official notification from a health authority that a food or food product from that establishment has potentially contributed to any instance or outbreak of foodborne illness, the food or food product must be maintained in safe storage in the establishment until the responsible health authority has examined, sampled, seized, or requested destruction of the food or food product. *Subsection 509.032(4), Florida Statutes*

YOU ARE HEREBY NOTIFIED TO IMMEDIATELY STOP THE SALE OF THE FOLLOWING PRODUCTS

ARTICLE	BRAND	ID NUMBER	MANUFACTURER	QUANTITY

REASON FOR ISSUE: The division finds that an immediate danger to the public safety or welfare exists, based on the following conditions found for the above listed food item(s):
