

The Spread of Foodborne Illness!

Notify your manager if you or anyone in your household has:

- **Hepatitis A**
- **Salmonella Typhi**
- **Norovirus**
- **Nontyphoidal Salmonella**
- **Shigella**
- **E. coli**

**Notify your manager if you have experienced
any of these symptoms within the last 48 hours:**

- **Vomiting**
- **Jaundice**
- **Diarrhea**
- **Sore throat with fever**

**Your Health Affects More Than Just You –
Ill Food Workers Can Make Customers Sick!**
