Select Alcohol Brand/Label Registration

Apply Using Online Services

Alcohol beverages shall not be sold or offered for sale in Florida, or moved within or into Florida without the brand/label first being registered with the Division of Alcoholic Beverages and Tobacco. An alcoholic beverage is defined as distilled spirits and any beverage containing spirits or wine by volume. Any manufacturer, brewer, bottler, distributor or importer of malt beverages, primary American source of supply, of wine such as the manufacturer, vintner, importer or bottler or an authorized exclusive agent thereof, brewery, manufacturer,source of supply of spirits beverage such as the manufacturer, importer or bottler or an authorized exclusive agent thereof, brewery, manufacturer, or importer must become a registrant so that each brand/label of any alcoholic beverages which are to be sold or moved within the State of Florida, may be registered.

Application Requirements:
- **Disclaimers:** Applicants may be required to provide some or all of the following (any additional requirements are listed in the form instructions)
- **General Requirements:**
  - To register a brand/label you must first be a brand/label registrant.
  - Alcohol beverages must be distributed by Florida licensed distributors.
- **Fee:** There is no charge to become a brand/label registrant.

Listed below are the fees for each brand/label type being registered:
- **$15** each for malt beverages.
- **$15** each for wine beverages.
- **$30** each for spirit beverages.
- **$50** each for other brand/label.

- **Application:** Apply online by clicking on "Apply Using Online Services" at the bottom of this page to be authorized to ship the product in Florida upon completion of your application (including any payment).
- **Federal Label Approval:** Provide the Federal Trademark and Trademark (FTT) number for each brand/label to be registered (if applicable).
- **Label:** Submit a legible copy of each brand/label being registered.
- **Shipment Limitation:**
  - Registration must be in containers approved by the federal government that do not exceed 1.75 liters (59.19 ounces).
  - Must be no greater than 150 proof.
Select Create My Account

Note: Even if you currently have a numerical PIN number account with the department, you will have to create a new account that utilizes your email address as the User ID.
CREATE NEW USER
Those fields with a red asterisk are required. The “Account Owner Contact Information” should be the individual who is creating the registration. The “Account Login” must be a unique email address for the registrant.

Note: The security measures section allows you to generate a new set of the security characters by clicking on the Refresh button, if you are unable to read them. If you guess incorrectly and click on “Next,” you will receive an error message and new characters will be generated so you can try again (see screen shot on next page).
After entering the new (and correct) set of security characters and clicking on the Next button depicted above, you will be provided a preview of the account information. Select Save to save the information, Edit to correct the information, or Cancel to exit without creating an account.
After selecting Save, the below screen will be displayed and a temporary password will be emailed to you. If you don’t receive the email, you may have utilized an incorrect email address or your email program may have put it into a different mailbox folder such as a spam or junk folder.

Once you receive the email depicted below, copy the password and click on the link in the email or the Return button in the above screenshot. Note: The USERID has been intentionally removed from the screen shot for the purposes of this document. The actual email sent to you will have your email address in that spot.

Hello Joe,

Thank you for registering for an online account with the Department of Business and Professional Regulation.

Please complete your registration by logging on to your account via:

https://www.myfloridalicense.com/DBPR/OnlineServices/login.do

Your online user is your complete e-mail address and your temporary password is provided below.

Please note that your online password is case sensitive. You may find it helpful to copy and paste the temporary password.

Email Address: example@domain.com

Password: P@$$w0rd

After you successfully log in using the temporary password provided above you will register your own unique password that you will use each time you log in to DBPR Online Services.

My Application - Once you have successfully logged in please follow the steps below to successfully link your license to your account:

* Select “Link an existing license to my account.”
* Select the category your license belongs to from the menu.
* Enter your license type from the menu.
* Enter your license number.
* During the process of linking your license to your online account you will be prompted for SECURITE IDENTIFICATION.
* Your initial activation code will be the last four digits of your Social Security Number or Federal Employer Identification Number.

Please note: Some individuals may have been assigned an Activation Code instead of the last four digits of their Social Security Number or Federal Employer Identification Number. If your SSN or FEIN does not match the activation code on file, please contact the Customer Contact Center at 800-697-1299 or Call Center@Bhp.state.fl.us. The Call Center staff will be able to provide you with your activation code.

You will be prompted to "Add" the license to the registration.

Once this process is completed, you will be returned to the Main Menu where you can link additional licenses or perform online services against your linked license(s).

*** Note: This is an automated email. Do NOT reply to this message. ***
You will be returned to the logon screen and can now logon as a returning user. Enter the email address and password and click on the Log On button.

At the next screen, first time users are asked to update the default registration information by changing to a password of your choice. Enter (copy/paste) the password you received in the email and pick a new password. Enter the new password a second time and click on the Save button.

Write down your user ID (email address) and password, to make accessing your account easy in the future.
After clicking on Save, you will be taken to the Apply for Brand Registrant–Introduction page.

From this page you can apply for a new registration by clicking on Next, at the bottom right of the page, if you are becoming a registrant for the first time, or you can link a current registration if you are already a Florida brand/label registrant by clicking on the link in the first sentence. Skip to page 19 if you already have a Florida registration number.
APPLY FOR A NEW LICENSE
If you selected Next at the screen above you will be taken to the Apply for Brand Registrant – Name and Organization Details page. Enter the name of the registrant and click on the Next Button.

Note: Clicking on the Cancel button at this screen will return you to the Apply for Brand Registrant – Introduction screen (two screen shots above). If you have clicked on the Next button at this screen, data has been saved. Once data has been saved, it will be stored and available upon your return to the Main Menu (the data will be saved even if you log out of the system). To access an incomplete application utilize the Incomplete Applications link that appears on the Main Menu screen.
A list of all incomplete applications will appear on the next screen depicted below. The application will start at the first page (second screen shot on page 12 above in this example).

After clicking on the Next button (three screenshots above), you will be at the Add Address Details screen. Input the address to which all correspondence should be directed. The address doesn’t have to be the address of the registrant. Note: Florida addresses require the selection of the county. Note: Fields with a red asterisks are required. Click on the Next button when you are ready to continue.
On the next screen you will be asked to review the information and can click on the Previous button to return to the screen above to correct any information, click on the Add button to add additional address types, click on the Next button to save the address information or select the Cancel button. Note: Selecting the Cancel button will return you to the Main Menu.

If you clicked on the Add button, you will be provided a screen in which you select the additional address type. After selecting the address type, clicking on the Next button will return you to the Add Address Details page.
After repeating the address procedures for all addresses, clicking the Next button at the Address Detail Summary screen (two screen shots above), will take you to the Business Type Detail screen. Select the Business Type from the dropdown list. Note: If you select “Other”, please describe the other business type in the Other Category field. Select the Next button when you are ready to continue.

The Contact Information screen is displayed when you select Next in the previous screen. Click on the Add button to add the contact information.
The Contact Information Add screen is displayed. Enter the Company Name if it differs from that of the registrant. Enter the Contact Name, phone number and email. This may be a person who directly works for the registrant or the name of a legally authorized agent. The email address can be the same as that utilized to create your account. Click on the Next button when you have completed entering the information.

The Contact Information Detail screen will be displayed. If the information is correct and complete, click on the Next button.
After clicking on the Next button on the previous screen, the Application Summary screen will be displayed. If all of the information is correct, click on the Next button.
Clicking on Next on the previous screen displays the Attestation screen. To complete the registration, you must select “Yes” and click on the Submit button. If you select “No” and click on the Submit button, you will receive an error as depicted below.
If you selected “Yes” and clicked on the Submit button you will see the below confirmation screen.

You will also receive an email with an application summary document in Adobe (PDF) format. If you need to download Adobe reader, a link is provided in the email as depicted in the below screen shot.

Hello,

Thank you for submitting your online application. You are now registered with the department and are able to begin registering brands/labels.

We recommend registration of brands/labels through the online process. Once the process is complete and any required payment is made the brand/label may be shipped to Florida for distribution.

Open the attachment to see the application summary.

Adobe Reader is necessary to view the PDF.

If you have any questions, please reply to this message.

Clicking on the Return button at the confirmation screen will return you to the Main Menu screen where your registration license number will now appear on the right side of the screen. You may now register brands/labels.
LINK AN EXISTING LICENSE TO MY ACCOUNT
If you are already registered with the State of Florida, you may link your registrant license to your new account. Before doing so, you will need your license number and the Activation Code. Select the link which says “click here to link and existing license to your account” at the Apply for Brand Registrant – Introduction page. If you don’t know your Activation Code you may contact the DBPR Customer Contact Center at (850) 487-1395 or at Call.Center@dbpr.state.fl.us.

If you enter directly to the logon screen without having selected, Alcoholic Beverages and Tobacco, Alcohol Brand Registrant and Brand/Label, Alcohol Brand/Label Registration and Apply Using Online Services, the Main Menu will appear as depicted below. Select Link an Existing License to My Account.
Ensure that Brand Registrant is selected in the License Type field. Input the license number and click on the Next button.

After clicking on the Next button at the previous screen you will see the Validation screen below. Input the Activation Code, security characters and click on the Next button.

Note: The security measure section allows you to generate a new set of the security characters by clicking on the Refresh button, if you are unable to read them. If you guess incorrectly and click on “Next,” you will receive an error message and new characters will be generated so you can try again.
After successfully entering the information on the previous screen you will see the Preview screen. If the information is correct, click on the Add button.

Click on the Next button to be returned to the Main Menu.

Now your former registrant record has been linked to your new account as depicted below.
RETURNING USERS OF ONLINE BRAND/LABEL REGISTRATION
From the department’s main page, select RENEW YOUR LICENSE depicted in the blue bar under the picture at the top of the page.

Payment Method:
- Credit Card
- Electronic Check (ACH)
If you do not wish to renew a particular brand, please unselect the item from the list.

Select your Payment Method, click on either “Credit Card” or “Electronic Check (ACH)” and
Click “Next”.
You will be taken to the Online Brand Payment – Confirmation screen. The total payment will be displayed. If everything is correct, click on the Next button.

At the Credit Card Payment screen, input the Card Holder Name, Card Type, Card Number and Card Expires date. Click on the Next button when you are ready.
The Online Brand Payment – Success screen will appear and will display the Amount Paid, Authorization number, Trace Number, Brand Transactions Paid (count), and will indicate if there are brands for which you have not paid. This information will also be sent to you by email.

Click “Next” to return to the main menu.
