**A If you filed and paid with a personal or business check;** Florida statute requires the floor tax payment be made by certified check or money order only. Please submit the floor tax form along with a certified check or money order. Your personal or business check has been returned to you.

**A If you filed and paid with a certified check or money order;** If you have more than one license/location and reported them all under one license and paid with one certified check or money order, we still need a surcharge form for each license.

**A If you filed and paid with a certified check or money order;** Please give the below information to the division and we will research the particular license and will notify you if we need additional information.
