**INFORMATIONAL PACKET FOR COMPLETING
DIVISION OF ALCOHOLIC BEVERAGES AND TOBACCO
APPLICATIONS**

If you have any questions or need assistance, please contact the Department of Business and Professional Regulation or your local district office.

This informational packet provides fee information for the most commonly issued licenses and contact information for each district office. Our goal is to provide useful information to aid you in filling out your application(s).

When you have completed your application packet and obtained all the required approvals, you will need to do one of the following:

- 1. Mail in the application.**
- 2. Drop off the application.**
- 3. Call the district office serving your area of interest to make an appointment.**

Applications mailed in or dropped off may not be processed on the same day as received; however, they will be reviewed within seven working days. You will be notified in writing if any additional information is needed. The application(s) must be submitted and must be typed or neatly and legibly printed in ink. We encourage you to make copies prior to your appointment (for your records.) Copies of documents made by this office will result in the following charges:

\$ 0.15 for one-sided documents
\$ 0.20 for two-sided documents

Fingerprints

Fingerprints must be submitted by each sole proprietor, all partners, officers, directors, individual share holders owning more than ½ of 1 percent of stock in non-public corporations, general partners of general partnerships, general partners of a limited partnership, managing members or managers of a limited liability company, and persons directly interested and receiving financial proceeds from the business.

Applicants must use a Livescan vendor that has been approved by the Florida Department of Law Enforcement to submit their fingerprints to the department. Costs associated with the fingerprint process will be collected by the vendor. Please view our frequently asked question page for more information on Vendor options and contact information regarding the Livescan Device Vendors List:

http://www.myfloridalicense.com/dbpr/servop/testing/documents/finger_faq.pdf).

Please ensure that the Originating Agency Identification (ORI) number for the Division of Alcoholic Beverages and Tobacco is provided to the vendor when you submit your fingerprints. The ORI number is FL920150Z. If you do not provide the ORI number, or if you provide an incorrect ORI number to the vendor, the Department of Business and Professional Regulation will not receive your fingerprint results.

Out of state applicants must be fingerprinted by a law enforcement agency on cards provided by the division (note: law enforcement agencies may charge for this service). The Division of Alcoholic Beverages and Tobacco has a unique ORI number that is required for processing the fingerprints back to the division, therefore, you must contact one of our offices to make a request for a card to be mailed to you. You will need to enclose a money order (personal checks are not accepted) for the total amount of the cost associated with the fingerprint process, payable to Pearson VUE, with your card. You may contact Pearson VUE at www.pearsonvue.com or by calling 1.877.238.8232. Once you have been fingerprinted and all information is complete, mail the card to Pearson VUE at:

FLDBPR, c/o Pearson VUE, Florida Fingerprinting Program, Prints Inc.
119 East Park Avenue, Tallahassee, FL 32301

At the time application is made to the Division of Alcoholic Beverages and Tobacco, you will need to submit your fingerprint receipt. The receipt serves as proof that you have met the fingerprint requirement. Failure to provide this receipt will delay the issuance of your temporary or permanent license, and could result in your application being denied. Applications must be submitted within **150 days** of the date fingerprints are taken.

Note: If you are a current licensee you are not required to submit a new set of fingerprints with your application unless you have been arrested. If you have been fingerprinted by this division in the past three (3) years, you are not required to submit this fingerprint information, unless the prior application was withdrawn or non-consummated. The division reserves the right to require a new set of fingerprints if there is reason to believe an impairment of qualifications may exist.
