Petition For Variance From Rule 61HI-28.0052(1)(b)

18 Month Rule

Petitioner Information:

Senia Girain (Assam)
12187 Sugar Pine Trl, Wellington FL 33414
951-600-8927

Attorney Information:

Not Applicable

Applicable Portions of the rules:

61HI-28.0052(1)(b) Number of Sittings and Granting of Credit, Release of Grades and Completion of Examination; Transition Rules:

Candidates must pass all four sections of the CPA Examination within a rolling eighteen-month period, which begins on the NABEA grad release date for the first test section(s) passed. In the event all four test sections of the CPA Examination are not passed within the rolling eighteen-month period, credit for any test section(s) passed outside the eighteen-month period will expire and that test section(s) must be retaken.

The citation to the statute the rule is implementing:

Section 473.306 - Examination

Type of Action Requested:

The petitioner requests that the Board of Accountancy please waive Rule 61HI-28.0052(1)(b), FAC stated above due to the following circumstances.

Specific fact that demonstrates a violation of the principles of fairness that would justify a variance of the petitioner:

Petitioner has been working as full time tax accountant during the entire testing process. Due to an unexpected family health incident petitioner was not able to maintain the exam schedule that she originally planned. After dedicating months attending to family medical care she was left with insufficient preparation time towards the end of her testing window. The final section, REG, was also at the height of a busy tax season and her attempts were unsuccessful. She was able to successfully pass her final section on 9/9/14, however, her FAR credit expired on 5/8/14. Petitioner respectfully requests variance due to time and attention diverted to family health care during testing window.

The reason why the variance requested would serve the purpose of the underlying statute:

To the petitioner's knowledge, she will meet all the education requirements on December 18th, 2014 and is of good moral character.

Petitioner Statement:

The petitioner seeks a permanent variance from Rule 61HI-28.0052(1)(b), FAC

ORDER GRANTING PETITION

VW 2014-442

Petitioner, Sonia Garate, filed a petition for a permanent variance from the requirements of Rule 61H1-28.0052(1)(b), Florida Administrative Code (FAC), on December 4, 2014. The Notice of the petition appeared in the Florida Administrative Register on December 11, 2014, in Volume 40 Number 239; no comments by interested persons were received. The petition was heard at a duly-noticed public meeting of the Board of Accountancy on January 16, 2015, in Tampa, Florida. At the hearing on this matter, Petitioner was present and the Board was represented by Mary Ellen Clark, Senior Assistant Attorney General.

STATEMENT OF RELEVANT FACTS

The facts relevant to the petition are as follows:

1. Petitioner is an applicant for licensure as a certified public accountant (CPA).
2. Rule 61H1-28.0052(1)(b), FAC, provides in part, "candidates must pass all four test sections of the CPA Examination within a rolling eighteen-month period, which begins on the NASBA grade release date for the first test section(s) passed."
3. Petitioner passed the FAR portion of the CPA examination on November 8, 2012, and credit for that portion of the examination expired on May 8, 2014. Petitioner passed the AUD portion of the examination on September 8, 2013, and credit for that portion of the examination will expire on March 9, 2015. Petitioner passed the BEC portion of the examination on December 6, 2013, and credit for that portion of the examination will expire on June 6, 2015. Petitioner passed the REG portion of the CPA examination on September 8, 2014, and credit for that portion of the examination will expire on March 8, 2016.
4. Petitioner experienced unexpected family health concerns that prevented her from

completing the examination timely. Petitioner seeks a permanent variance from Rule 61H1-28.0052(1)(b), FAC, to allow an extension of four months beyond the eighteen months provided in the rule to retain the passing score on the FAR portion of the examination through September 8, 2014, when she passed the fourth portion of the examination.

GROUNDS FOR APPROVAL

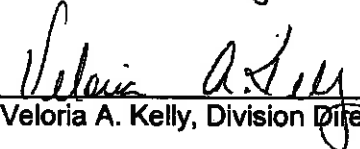

The Board determined the petition should be granted on the following grounds:

5. Petitioner established that the Board's full application of Rule 61H1-28.0052(1)(b), FAC, to her circumstances would violate principles of fairness and would impose a substantial hardship on her.

6. Petitioner established that, if she were granted the variance, the purpose of the accountancy examination statute would be met as required by Section 473.306, FS.

This Order shall become effective upon filing with the Clerk of the Department of Business and Professional Regulation.

DONE AND ORDERED this 10th day of February, 2015, by the
Florida Board of Accountancy.
