Clay Ford Scholarship Council Minutes

Telephone Conference Call

September 17, 2013

Motion was made by George Shierling and seconded by Johnny Session to award \$6,000.00 per semester to applicants who were approved for a total of \$36,000.00. Upon vote the motion passed unanimously.

Discussion – the Council members are inclined to make recommendation to the Board to look at the rules in regard to having meetings twice a year in order to ensure maximum participation of applicants. The Council would also like Board staff to get the word out regarding the scholarship by; creating flyers and letters to send to school's financial aid offices and chairpersons of the accounting department advising of scholarship and deadline, provide flyer to Council members in early spring of each year so that they can communicate with their network of contacts, and ask the Florida Institute of Certified Public Accounting to consider publishing the scholarship information in their magazine. Board staff will also work with the department communications office in getting the word out via the department face book and twitter account.

There being no further business, the meeting was adjourned at 11:27 A.M.
