**ORDER GRANTING PETITION**

Petitioner, Robert Hirsch, filed a petition for a variance or waiver of Rules 61H1-33.006(2)(a) and 61H1-31.006, Florida Administrative Code (FAC) on October 27, 2014. The notice of the petition appeared in the Florida Administrative Weekly on November 5, 2014, in Volume 40 Number 216; no comments by interested persons were received. The petition was heard at a duly-noticed public meeting of the Board of Accountancy on December 5, 2014, in Tallahassee, Florida. At the hearing on this matter, Petitioner was neither present nor represented by counsel. The Board was represented by Mary Ellen Clark, Senior Assistant Attorney General.

**STATEMENT OF RELEVANT FACTS**

**VW 2014-391**

The facts relevant to the petition are as follows:

1. Petitioner's license reverted to delinquent status on January 1, 2011. Petitioner submitted an application for reactivation under the 2012 Amnesty Provision on June 30, 2014, which was found to be deficient demonstration of completion of 4 CPE hours in board approved ethics.

2. Rule 61H1-33.006(2)(a), FAC, provides in part that, "each Florida certified public accountant, who became delinquent and desires to return their license to active status shall apply for such reactivation and demonstrate successful completion of the required number of continuing professional education hours. Florida certified public accountants who have been inactive or delinquent for one reporting period following their most recent current/active license, shall satisfy the requirements of their most recent biennium while active plus 40 additional CPE hours in the following manner: at least 20 hours in Accounting/Auditing, at least four hours in ethics, no more than 20 hours in behavioral, for a total of 120 hours."

3. Rule 61H1-31.006, FAC, "sets forth the application fee for reactivation of an inactive status license to active status as \$250.00."

4. Petitioner completed the deficient 4 CPE hours in ethics on October 25, 2014.

5. Petitioner is requesting a waiver or variance of Rule 61H1-33.006(2)(a), FAC, to the extent necessary for his license to be reactivated and for the Board to accept the 4 hours of CPE in ethics that were completed after the deadline. Petitioner is also requesting a waiver of Rule 61H1-31.006, FAC, in order to waive any additional application fee of \$250.00.

**GROUNDS FOR APPROVAL**

The Board determined that the petition should be granted on the following grounds:

6. Petitioner established that the purpose of the accountancy continuing education statute, Section 473.312, Florida Statutes, would be met, in that he has completed the required hours.

7. Petitioner further established that the Board's full application of Rules 61H1-33.006(2)(a), FAC, and 61H1-31.006, FAC, to his circumstances would violate principles of fairness and would impose a substantial hardship on him.

This Order shall become effective upon filing with the Clerk of the Department of Business and Professional Regulation.

Applicable Portions of the rules: 61H1-31.006 Reactivation Fee. The application fee for reactivation of an inactive status shall be \$250.00; for reactivation of a delinquent status license to active, \$250. In all cases completion of the requirements of Rule 61H1-33.006, F.A.C., shall be required for reactivation, and 61H1-33.006 Inactive or Delinquent Florida Certified Accountants Who Desire to Become Active Licensees.

(1) Each Florida certified public accountant who has requested inactive status or became delinquent, as distinguished whose certificate or license has been suspended, who desires to become an active Florida certified public accountant, i.e., engage or reengage in the practice of public accounting in Florida, shall apply for such reactivation by completing and submitting to the Department Form DBPR CPA 5011-1-Request for change of status, hereby incorporated by reference and effective 7-23-06; copies of the form may be obtained from the Board office. However, if a license is delinquent on January 1 for failure to comply with Rule 61H1-33.003, F.A.C., through failure to report compliance with continuing professional education requirements by the immediately prior December 31st, a Florida certified public accountant may reactivate, pursuant to Section 473.311, F.S. by certifying the required hours have been completed, paying the fees required by Rules 61H1-31.003, 31.004 and 31.006, F.A.C., by March 15 of the same year of the delinquency.

(2) Each such application shall demonstrate successful completion of the required number of continuing professional education hours.

(a) Florida certified public accountants who have been inactive or delinquent for one reporting period following their most recent current/active license, shall satisfy the requirements of their most recent biennium while active plus 40 additional CPE hours in the following manner:

Accounting/Auditing	Ethics	Behavioral	Total Hours
At least 20 hours	At least 4 hours	No more than 20 hours	120 Hours

(b) Florida certified public accountants who have been inactive for three or more reporting periods since maintaining a current/active license, shall satisfy the requirements of their most recent biennium plus 200 additional CPE hours in the following manner:

Accounting/Auditing	Ethics	Behavioral	Total Hours
At Least 40 hours	At least 4 hours	No more than 20 hours	200 Hours

(c) Florida certified public accountants who have been inactive for three or more reporting periods since maintaining a current/active license, shall satisfy the requirements of their most recent biennium plus 200 additional CPE hours in the following manner:

Accounting/Auditing	Ethics	Behavioral	Total Hours
At least 40 hours	At least 4 hours	No more than 20 hours	280Hours

The citation to the statute the rule is implementing: Section 473.313(2) A license that has become inactive under subsection (1) or for failure to complete the requirements in s.473.312 may be reactivated under s.473.311 upon application to the department. The Board may prescribe by rule continuing education requirements as a condition of reactivating a license are those prescribed by board rule and those of the most recent biennium plus one-half of the requirements in s.473.312. Notwithstanding any other provision of this section, the continuing requirements are 120 hours, including at least 30 hours in accounting-related and auditing related subjects, not more than 30 hours in behavioral subjects, and minimum of 8 hours in ethics subjects approved by the Board, for the reactivation of a license that is inactive or delinquent on June 30, 2014, if the Florida certified public accountant notifies the Board of Accountancy by December 31, 2014.

**Type of Action Requested:**

The petitioner requests that the Board of Accountancy please grant a variance for Rules 61H1-31.006 and 61H-33.006 stated above due to the following circumstances:

I applied for reactivation under the 2012 amnesty provision as provided for in section 473.313(2) Florida Statutes. The 2012 amnesty provision required completion, by June 30, 2014, of 120 hours of continuing professional education to include at least 30 hours of accounting/auditing subjects, not more than 30 hours of behavioral subjects, and at least 8 hours of Board approved ethics. As a result of not completing four hours of Board approved ethics by June 30, 2014 my application was deemed deficient and could not be approved.

Under the reactivation provision, Rule 61H1-33.006 F.A.C., the licensee would be required to complete a total of 120 hours to include at least 4 hours in Board approved ethics, and at least 30 hours in accounting and auditing subjects. I am petitioning the Board for a variance of this rule, which implements provisions of section 473.313, F.S., to allow the reactivation of my license having completed 129 hours of continuing professional education but only 4 hours of ethics, because due to health reasons (doctor's letter attached) I was not in condition to complete the CPE requirements until recently. I felt that repeating the ethics requirement during this brief period would be redundant.

I have demonstrated that I've met the purpose of the underlying statute even were I to be granted a variance from this rule because I completed an additional 4 hours of ethics (attached)

I would also like to request a permanent waiver of the \$250.00 reactivation fee required by Rule 61H1-31.006, which implements the provisions of section 473.305, because I previously paid the fee when I originally file my application for reactivation on June 30, 2014.

The petitioner seeks a permanent waiver from rule 61H1-31.006 and a one-time variance from Rule 61H1-33.006
