

Below are checked item(s) that are necessary to support an allegation of failure to use ballots or voting machines:

<input checked="" type="checkbox"/>	Copies of the election ballots for the board of administration provided to the unit owners by association.
<input type="checkbox"/>	Documentation establishing that the association received the person's written notice of candidacy not less than 40 days before the scheduled election.
<input type="checkbox"/>	Documentation demonstrating that the person was eligible for candidacy.
<input type="checkbox"/>	Documentation demonstrating that the person withdrew their candidacy in writing, if applicable.
<input type="checkbox"/>	Documentation demonstrating that a person included on the ballot was ineligible before the deadline for filing a notice of intent to be a candidate.
