3. Number and percent of complaints acknowledged in writing within 30 days.

Section 718.501(1)(m), Florida Statutes, requires that the Division must acknowledge the complaint in writing within 30 days after receipt of a complaint. This acknowledgment notifies the individual as to whether their complaint is within the Division’s jurisdiction, and if so, requests additional information if necessary.

Of the 2,344 complaints addressed by the Division, 26 were initiated by the division. Of the remaining 2,318 complaints, 2,232 were acknowledged within the 30-day threshold.

4. **Number and percent of investigations acted upon within 90 days.**

All complaints (100%) were acted upon within the 90-day requirement. A complaint is acted upon when received and includes entering the complaint into our case tracking system, acknowledging the complaint in writing, and contacting the complainant by telephone within 24-48 hours.

However, for reporting purposes and consistent with chapters 61B-20 and 21, Florida Administrative Code, the Division also tracks the resolution of complaints resolved, by issuing an information letter, warning letter, or an administrative action (consent orders or notices to show cause), within 90 days.

Of the 2,344 complaints received July 1, 2008 to June 30, 2009, 1,612 (69%) were resolved within 90 days or less.

   69% of complaints (1,612 of 2,344) resolved within 90 days.

5. **The number of investigations exceeding 90 days.**

Section 718.501(1)(m), Florida Statutes, requires that the Division to provide the complainant with monthly updates on the status of our investigation if it exceeds 90 days.

Of the 2,344 investigations initiated by condominium unit owners, 709 investigations exceeded the 90-day resolution threshold. Included in the factors for an investigation not being resolved in 90 days includes: case complexity, difficulty gathering evidence, uncooperative witnesses, and due process considerations.

   30% of investigations (709 of 2,344) exceeded 90 days.
