Under Chapter 326, Florida Statutes, all Florida Yacht Broker's/Salesperson's licenses must reflect the correct name, correct business affiliation, and correct business address, at all times during the two-year licensure period. Any changes made after issuance of the original license shall be filed with DBPR Yacht & Ship Broker's Program. Upon receipt of the change notification, a new license will be issued and mailed to the licensee. NOTE: Changes include licensee or business name changes, address changes, or cancellation of a license due to affiliation changes.
