**DBPR-Board of Landscape Architecture
2013-2014 Annual Regulatory Plan**

Rule Number	Rule Title	Rulemaking Action	Reason for Rulemaking	Additional Details on Reason for Rulemaking	Description of Current Rule or Statute to be Implemented	Description of Changes to be Made in Rulemaking	Economic Impact	Highly Technical or Complicated
61G10-11.001	Examination for Licensure	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	The Department no longer buys or administers any portion of the Landscape Architecture Registration Examination (L.A.R.E.)	This rule sets forth the minimum requirements of the examination for licensure	Update the rule to be consistent with the new L.A.R.E. format and examination process.	None	No
61G10-12.001	Application and Examination Fees	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	The examination sections need to be changed from five to four sections, and applicants who are retaking the laws and rules exam now need to go directly to the vendor for the exam.	The rule sets forth the fee schedule for the licensure examination.	Update the rule to be consistent with the new L.A.R.E. format and examination process.	None	No
61G10-18.001	Continuing Education Credit Requirements	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	It is prudent for the board to periodically review continuing education rules and the board may determine that updates or clarifications are needed to correspond with changes in the profession.	The rule sets forth the continuing education requirements for licensed landscape architects.	Update the rule to provide continuing education requirements consistent with the current profession.	None	No
61G10-18.002	Board Approval of Continuing Education Providers	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	It is prudent for the board to periodically review continuing education rules and the board may determine that updates or clarifications are needed to correspond with changes in the profession.	The rule sets forth detailed requirements for continuing education providers.	Update the rule to provide continuing education provider standards consistent with the current profession and modern technology.	None	No
61G10-18.006	Approval of Continuing Education Courses	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	It is prudent for the board to periodically review continuing education rules and the board may determine that updates or clarifications are needed to correspond with changes in the profession.	The rule sets forth detailed procedures and requirements for approval of continuing education courses.	Update the rule to provide continuing education course approval in a manner that ensures high quality continuing education.	None	No

**DBPR-Board of Pilot Commissioners
2013-2014 Annual Regulatory Plan**

Rule Number	Rule Title	Rulemaking Action	Reason for Rulemaking	Additional Details on Reason for Rulemaking	Description of Current Rule or Statute to be Implemented	Description of Changes to be Made in Rulemaking	Economic Impact	Highly Technical or Complicated
61G14-19.001	Percentage of Gross Pilotage Assessed	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	To amend the percentage of the gross pilotage assessment of Florida ports to prevent the Board from going into a negative balance.	Assessment is currently at .7%	Amend the percentage of gross pilotage assessed.	SERC	No

**DBPR-Division of Pari-Mutual Wagering
2013-2014 Annual Regulatory Plan**

Rule Number	Rule Title	Rulemaking Action	Reason for Rulemaking	Additional Details on Reason for Rulemaking	Description of Current Rule or Statute to be Implemented	Description of Changes to be Made in Rulemaking	Economic Impact	Highly Technical or Complicated
61D-2.001	General Definitions	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	Currently some trainers under suspension are listing other unqualified individuals as trainer of record until the suspension is served. The "paper trainers" have access to the racing animals and the backside of a racetrack. The actual trainer, who is suspended, circumvents the penalty continuing to train from a distance (i.e., the grandstands) with a 2-way radio.	Provides general definitions for pari-mutuel specific terminology.	Define "paper" trainer.	None	No
61D-2.005	Violations	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	Currently some trainers under suspension are listing other unqualified individuals as trainer of record until the suspension is served. The "paper trainers" have access to the racing animals and the backside of a racetrack. The actual trainer, who is suspended, circumvents the penalty continuing to train from a distance (i.e., the grandstands) with a 2-way radio.	New rule will make the practice of assigning a "paper" trainer a violation.	New rule will make the practice of assigning a "paper" trainer a violation.	None	No
61D-4.002	Evaluating a Permit Application for a Pari-Mutuel Facility	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	See the Description of changes to be made in Rulemaking	Sets forth the criteria for evaluating a permit application for a pari-mutuel facility.	Revise criteria for evaluating a pari-mutuel permit.	None	No
61D-4.005	Pari-Mutuel Permit Property Amendment	New Rule	Other (Provide a detailed explanation)	See the Description of changes to be made in Rulemaking	The proposed rule sets forth requirements for submitting a change in legal description to the pari-mutuel permit property.	Add language to clarify how a permit holder can submit a change in legal description to the pari-mutuel permit property.	None	No
61D-5.003	Applications for Licensure; Fingerprint Requirements; Exemptions from Fingerprinting	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	Change fingerprint submission interval from every 5 years to every 3 fiscal years to coincide with the license cycle. Also, add individuals who are under 18 years of age to the list of those exempt from the FP requirement.	Provides the fingerprint requirements for occupational licensing and exemptions for the fingerprint submission requirement.	Change fingerprint submission interval from every 5 years to every 3 fiscal years to coincide with the license cycle. Also, add individuals who are under 18 years of age to the list of those exempt from the FP requirement.	None	No

**DBPR-Division of Pari-Mutual Wagering
2013-2014 Annual Regulatory Plan**

Rule Number	Rule Title	Rulemaking Action	Reason for Rulemaking	Additional Details on Reason for Rulemaking	Description of Current Rule or Statute to be Implemented	Description of Changes to be Made in Rulemaking	Economic Impact	Highly Technical or Complicated
61D-6.002	General Duties and Responsibilities	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	Change Form DBPR PMW-3060 "Kennel Personnel Roster" to "Personnel Roster" for consistency in the reporting of the trainer of record for both greyhound and horse industries. Add a requirement for quarter horse permitholders to provide a detention barn area for the division for the collection of urine and blood samples from racehorses.	Form DBPR PMW-3360, Kennel Personnel Roster, is used exclusively in the greyhound industry; removing "kennel" will allow this form to be used at greyhound and horse tracks. The current rule also does not have any language requiring a quarter horse permitholder to provide a detention barn area for the collection of urine and blood samples.	Change Form DBPR PMW-3060 "Kennel Personnel Roster" to "Personnel Roster" for consistency in the reporting of the trainer of record for both greyhound and horse industries. Add a requirement for quarter horse permitholders to provide a detention barn area for the collection of urine and blood samples from racehorses.	None	No
61D-6.005	Procedures for Sampling of Racing Animals	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	Update current procedures to include the collection of urine samples pre-race for racing greyhounds.	Current rule provides the procedures for the collection of samples from racing animals post race. However, due to high "quantity not sufficient" and "did not urinate" rates, the rule needs to be revised to provide procedures for the collection of urine samples from racing greyhounds pre-race.	Update current procedures to include the collection of urine samples pre-race for racing greyhounds.	None	No
61D-6.006	Procedures Relating to Split Samples	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	Update current procedures for requesting and processing split samples by providing certain criteria for the selection of a split lab (i.e., same instrumentation, ability to analyze a sample to the same threshold level or lower, etc.) and to require split analyses be conducted on the same medium. For example, a split lab must use urine to conduct the split analysis for a drug positive initially reported in urine (compare urine to urine; serum to serum).	Provides procedures for requesting a split sample.	Update current procedures for requesting and processing split samples by providing certain criteria for the selection of a split lab (i.e., same instrumentation, ability to analyze a sample to the same threshold level or lower, etc.) and to require split analyses be conducted on the same medium. For example, a split lab must use urine to conduct the split analysis for a drug positive initially reported in urine (compare urine to urine; serum to serum).	None	No

Rule Number	Rule Title	Rulemaking Action	Reason for Rulemaking	Additional Details on Reason for Rulemaking	Description of Current Rule or Statute to be Implemented	Description of Changes to be Made in Rulemaking	Economic Impact	Highly Technical or Complicated
61D-6.008	Permitted Medications for Horses	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	Add threshold levels for certain therapeutic medications as recommended by the UF College of Veterinary Medicine; prohibit the "stacking" (i.e., simultaneous use of more than one) of non-steroidal anti-inflammatory drugs.	Provides list of medications and the respective threshold levels permitted in racehorses.	Add threshold levels for certain therapeutic medications as recommended by the UF College of Veterinary Medicine; prohibit the "stacking" (i.e., simultaneous use of more than one) of non-steroidal anti-inflammatory drugs.	None	No
61D-6.011	Penalty Guidelines for Class I-V Drug Violations in Horses	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	Revise current penalty guidelines to fix a rule reference error; increase fine amounts for Class II and III drug positives and revise suspension dates to reflect "zero to" X number of days instead of "up to" X number of days.	Provides the penalty guidelines for impermissible medications found in racehorses.	Revise current penalty guidelines to fix a rule reference error; increase fine amounts for Class II and III drug positives and revise suspension dates to reflect "zero to" X number of days instead of "up to" X number of days.	None	No
61D-7.001	Definitions	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	See the Description of changes to be made in Rulemaking	Provides definitions for auditing and pari-mutuel wagering language.	Delete or amend obsolete definitions, specifically language regarding definition of "malfunction."	None	No
61D-7.003	Experimental Wagers, Requests by Permitholders	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	Rule has not been updated since its inception in 1996. Update for obsolete language.	Provides language to allow permitholders to introduce new types of wagers.	Streamline the rule to be more business friendly and also evaluate the time constraints within to be sure they are still viable.	None	No
61D-7.018	Pentafecta	New Rule	Other (Provide a detailed explanation)	Pursuant to Rule 61D-7.003, F.A.C., an experimental wager called the Pentafecta was allowed in FL. This wager has continued and permitholders have provided a draft rule to make it an official acceptable wagering pool type in the rules.		Create all new language for a 5-legged wager called the Pentafecta. This wager requires the selection of the first five finishers, in their exact order, for a single contest. This rule language will mirror other exotic wager type rules.	None	No
61D-7.020	Pari-Mutuels	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	Delete obsolete language regarding division work areas at tote hubs; review rule for pari-mutuel requirements that may be obsolete.	Provides for rules related to pari-mutuels, including wagering requirements, wagering limits, and how wagers may be made.	Delete obsolete language regarding division work areas at tote hubs. (There are no tote hubs currently in FL.)	None	No

**DBPR-Division of Pari-Mutual Wagering
2013-2014 Annual Regulatory Plan**

Rule Number	Rule Title	Rulemaking Action	Reason for Rulemaking	Additional Details on Reason for Rulemaking	Description of Current Rule or Statute to be Implemented	Description of Changes to be Made in Rulemaking	Economic Impact	Highly Technical or Complicated
61D-7.021	Mutuels Tickets, Cashing, Records, and Totalisator Security Requirements	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	Review for paper record requirements which should become electronic; amend obsolete totalisator security requirements.	Provides for mutuels tickets, cashing, records and totalisator security.	Amend to allow hard copy ticket cashing records to become more electronic; amend obsolete totalisator security requirements.	None	No
61D-7.022	Outs Cashed After the End of the Meet	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	There is duplicative language within this rule that could be eliminated.	Provides requirements for outstanding tickets cashed after the end of the meet and for the escheated outs remittance with Form DBPR PMW-3510, Report of Escheated Outs.	Amend to delete duplicative language within the rule and obsolete manual requirements such as maintaining records with calculator tapes in them.	None	No
61D-7.023	Reporting of Wagering Activities, Permitholder and Totalisator Reports	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	Eliminate the old standards for printing reports to have them electronically downloaded to the division.	Provides for reporting of wagering activities, including both permitholder and totalisator reports.	Remove obsolete printing of reports and allow for electronic download. Also, clarify reporting responsibilities between tote company and permitholder.	None	No
61D-8.001	Admissions Requirements	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	Admission charges are largely a thing of the past; sections of the rule are obsolete and lengthy.	Provides for admission requirements for pari-mutuel performances.	Remove obsolete requirements related to late entrant policy and tax exempt passes, both intrusive requirements.	None	No
61D-8.002	Financial Reporting Requirements	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	See the Description of changes to be made in Rulemaking	Defines a variety of financial reporting requirements including pre-meet reports used by the division to set up demographics, monthly remittance reports, and uniform annual reports. Requires two copies of a permitholder's annual report to be submitted to the division.	Remove intrusive requirements by reducing the number of copies required to be submitted to the division from two copies to one for completed audited financial statements. Revise Form DBPR PMW-3690, Uniform Reporting System Prescribed for Pari-Mutuel Permitholders.	None	No
61D-8.003	Reporting Requirements for Charity/Scholarship Performances	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	See the Description of changes to be made in Rulemaking	Defines a variety of financial reporting requirements related to charity days and scholarship performances.	Clarify that a separate account for a Greyhound Adopt-A-Pet Day may be a separate ledger account or bank account.	None	No
61D-8.004	Retired Jai Alai Players Charity Days Fund: Accumulation Payments and Reporting	Rule Amendment	Update/Add Incorporated Material	See the Description of changes to be made in Rulemaking	Provides requirements for retired jai alai players charity fund.	Incorporate Form DBPR PMW-3620, Retired Jai Alai Players Fund Distribution, into rule.	None	No

61D-8.005	Purses and Florida Owners' Awards, Horse Racing	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	A large portion of this rule is archaic and may need to be removed.	Provides purse and owners awards requirements for horse racing.	Delete obsolete language, simplify, and shorten.	None	No
61D-9.001	Interstate and Intertrack Broadcasts	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	Largely obsolete and has duplicative language, as well as far-reaching language.	Provides requirements for interstate and intertrack broadcasts of pari-mutuel events.	Remove obsolete and duplicative language, clarify tote requirements, remove requirements related to permitholder business decisions.	None	No
61D-9.002	Interstate Broadcasts - Common Pools	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	Largely obsolete and has duplicative language, as well as far-reaching language.	Provides requirements for common pooling of interstate broadcasts.	Remove obsolete and duplicative language, clarify tote requirements, remove requirements related to permitholder business decisions.	None	No
61D-9.003	Interstate and Intertrack Broadcasts - Emergency Procedures	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	Largely obsolete and has duplicative language, as well as far-reaching language.	Provides for emergency procedures for interstate and intertrack broadcasts.	Remove obsolete and duplicative language, clarify tote requirements, remove requirements related to permitholder business decisions.	None	No
61D-9.004	Intertrack Wagering - Permitholder Accounting, Reporting and Ticket Cashing Responsibilities	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	Largely obsolete and has duplicative language, as well as far-reaching language.	Provides for permitholder accounting, reporting, and ticket cashing responsibilities for intertrack wagering.	Remove obsolete and duplicative language, clarify tote requirements, remove requirements related to permitholder business decisions.	None	No
61D-9.005	Intertrack and Interstate Wagering, Hub Systems Requirements	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	Largely obsolete and has duplicative language, as well as far-reaching language. Many of the 5 rules in this chapter seem so related there could be some consolidation.	Provides for hub system and intertrack and interstate wagering requirements.	Remove obsolete and duplicative language, clarify tote requirements, remove requirements related to permitholder business decisions.	None	No
61D-14.001	General Definitions	Rule Amendment	Update Rule (Explain, e.g. correct pattern of injury resulting from lack of standards; board priority; not updated since 1908)	See the Description of changes to be made in Rulemaking	Sets forth definitions used in the Pari-Mutuel Facility Slot Machine Operations rules.	Incorporate terms that are common in the casino industry that are currently not listed in Rule 61D-14.001 but are referred to within Chapter 61D-14, F.A.C.	None	No
