

**BOARD OF PROFESSIONAL GEOLOGISTS**  
**2016-2017 Annual Regulatory Plan**

1. Laws enacted or amended during the previous 12 months which create or modify the duties or authority of the Board.

Section 455.225(3)(a) F.S., requires each board, or the Department where there is no board, to establish by rule which violations are designated as minor violations for which the department may issue a notice of noncompliance.

Section 120.695 (2)(b) F.S., requires that each agency shall review all of its rules and designate those for which a violation would be a minor violation and for which a notice of noncompliance must be the first enforcement action taken against a person or business subject to regulation.

The Board will review its Disciplinary Guidelines, Rule 61G16-9.001; to determine whether any violations come within the definition of a minor violation that would require further rulemaking.

2. Laws not otherwise listed in paragraph (1) which the Board expects to implement by rulemaking before July 1, 2017.
