

THE PRELIMINARY TEXT OF THE PROPOSED RULE DEVELOPMENT IS:

(Substantial rewording of Rule 61D-14.037, F.A.C. follows. See Florida Administrative Code for present text.)

61D-14.037 Games with Bonus Features, Multiple Win Lines, Prizes.

(1) If the slot machine game contains a bonus feature including a “game within a game,” the game shall:

(a) Display:

1. Which game rules apply to the current game state;

2. The number of plays remaining for the free game event as each free game is played; and

3. That the game is in a bonus feature mode.

(b) Provide the player an opportunity to not participate, if a bonus or feature game requires extra credits to be wagered;

(2) The probability of obtaining winning events or symbols on the base game shall not decrease as the game progresses.

Specific Authority 551.103(1), 551.122 FS. Law Implemented 551.103(1)(c), (d), (e) FS.
