March 16, 1945—Orlando, Florida.

After an extensive public hearing at Jacksonville on July 27, 28, 1944, the following racing dates were allocated to the various associations operating under the supervision of this Commission for the season to commence November 15, 1944, and to extend through May 31, 1945:

Associated Out-Door Clubs, Inc. January 1, 1945, through April 14, 1945, excluding Sundays (90 days)

Biscayne Kennel Club, Inc. February 24, 1945, through May 31, 1945, excluding Sundays (83 days)

Broward County Kennel Club, Inc. December 23, 1944, through April 6, 1945, excluding Sundays (90 days)

Fronton Exhibition Company December 25, 1944, through April 7, 1945, excluding Sundays (90 days)

Gables Racing Association, Inc. December 25, 1944, through January 16, 1945—reopen March 5, 1945, through April 27, 1945, excluding Sundays (40 days)

Gulfstream Park Racing Association, Inc. December 1, 1944, through December 23, 1944—reopen March 28, 1945, through April 19, 1945, excluding Sundays (40 days)

Hialeah Race Course, Inc. January 17, 1945, through March 3, 1945, excluding Sundays (40 days)

Jacksonville Kennel Club, Inc. January 1, 1945, through April 14, 1945, excluding Sundays (90 days)

Miami Beach Kennel Club, Inc. January 1, 1945, through April 6, 1945, excluding Sundays (83 days)
During the fiscal year ended June 30, 1944, racing in Florida enjoyed its most prosperous year, producing a gross state revenue of $6,824,272.72. It was therefore reasonable to anticipate that the season of 1944-1945, during the fiscal year to end June 30, 1945, would likewise be as satisfactory from a revenue standpoint. However, because of the critical manpower situation throughout the nation during this troublesome period of war, Mr. Justice Byrnes, the Director of War Mobilization and Reconversion, decided to cause the cessation of racing as a further aid to the successful prosecution of the war. This end was achieved by a directive issued to the War Manpower Commission to take such steps as that body was legally authorized to take in the matter, provided it was necessary, coupled with the request and suggestion that all race meetings be brought to a close by January 3, 1945, and to thereafter refrain from racing activities until war conditions would permit.

In so far as this Commission is advised, no steps were taken by War Manpower Commission, nor were any necessary. As a matter of fact no actual notice or demand was even made upon the racing associations operating in this state. All that was necessary was the simple statement of Mr. Justice Byrnes, carried only in the press, to the effect that in his opinion the operation of the race tracks was not, at that particular time, conducive to all-out effort toward winning the war." Upon this and this alone a large, nationwide industry shut down and ceased its operation upon eight days' notice of request. This Commission feels that such patriotic spirit and national zeal on the part of the track operators, horse and dog owners should be remembered as an outstanding example of what can be accomplished in a great democratic nation engaged in a life and death struggle where it is deemed necessary for the common cause.

And so from January 3, 1945, to May 12, 1945, no racing was conducted in the State of Florida.
It was nevertheless incumbent upon the present Commission to carry on its activities where necessary. It was ascertained that the operation of a jai-alai fronton did not come within the scope of the racing ban and accordingly this activity continued throughout its allotted season.

On January 12, 1945, the present Commission held its organization meeting at Miami. In addition to the selection of a Chairman and Secretary as above stated, certain key positions were filled so that groundwork might be laid properly for the resumption of racing if and when war conditions would permit. The following appointments were made, such appointees to serve at the pleasure of the Commission and to draw no compensation until racing was resumed:

Honorables Hollis Rinehart, Jr. . . . . . . . State Steward  
Dr. E. D. Clawson . . . . . . . . . . . . Chief Veterinarian  
Dr. Walter Volke . . . . . . . . . . . . Chief Chemist

Mr. Robert Kelly was retained as Supervisor of Racing, but upon a salary basis commensurate with the curtailed activities of the Commission. Mrs. Inez Martin was appointed Office Secretary for the Miami office and Mrs. Lollie P. Davis as Secretary in charge of the Tallahassee office, the latter office maintained in compliance with the requirements of Section 550.01, Florida Statutes, 1941. Although actual racing had ceased, it was still necessary for certain office and clerical activities to be continued, not only in connection with the operation of jai-alai but in winding up the fiscal details of the season just closed. These functions were accomplished by a skeleton office force and at a marked decrease in expense to the State.

A review of the past activities of the Commission indicated that rules and regulations for the control, supervision and direction of applicants for permits to conduct horse tracks, dog tracks and jai-alai frontons in Florida might well be promulgated under the authority and direction contained in Section 550.02, Florida Statutes, 1941. Rules and regulations for this purpose were finally adopted by the Commission at the meeting held March 16, 1945, and have since proved of assistance to those seeking permits to conduct racing in Florida.

During the 1945 Session of the Legislature of Florida, the Chairman and Secretary of the Commission rendered every requested assistance to the various committees of the House and Senate during the deliberations over proposed laws relating to racing. Numerous statistics were compiled and furnished and it is felt that such assistance was of some benefit to those charged with the responsibility of making our laws.
It would not be amiss to briefly review here the various laws and amendments to existing statutes which were adopted by the Legislature at this session.

Because of the curtailment of racing on January 2, 1945, it was necessary to appropriate the additional sum of $600,000.00 out of general revenue funds to provide the State Welfare Board with sufficient funds to carry on its old age assistance payments at the regular levels for the balance of the fiscal year 1944-1945. This was accomplished by the passage of Chapter 22552 which received executive approval on May 3, 1945.

Prior to the passage of Chapter 22588, the State tax on "breaks" was levied upon the odd cents neither paid as a commission nor redistributed to the contributors to pari-mutuel pools conducted at horse tracks only. By this Chapter, Section 550.26, Florida Statutes, 1941, was amended so as to levy a tax equal to fifty percent of such "breaks" resulting from pari-mutuel pools conducted at dog tracks as well. Similar provision for a like tax was included in Chapter 22817, relating to conduct of pari-mutuel pools at jai-alai frontons in this State.

The Legislature had in 1941 provided for a tax, in addition to the original three percent tax, in the amount of five percent upon all pari-mutuel pools conducted at horse tracks. This tax was earmarked first to guarantee to each of the counties of Florida an amount equal to that distributed during the 1940-1941 season and the balance designated for "Old Age Assistance Fund." By the terms of Chapter 22589, Laws of Florida, 1945, a similar additional tax of two percent was levied upon all pari-mutuel pools conducted at dog tracks and the above numbered chapter relating to jai-alai frontons included like provision for an additional two percent tax upon those pools as well.

Section 550.04, Florida Statutes, 1941, had been amended during the 1943 Session of the Legislature of Florida so as to extend the horse racing season from December 1st to April 20th of the following year and also increased the dog racing season, temporarily, so as to extend from November 15th to and including the 31st day of May of the year following, until July 1, 1945, after which date the dog racing season was designated as beginning on December 1st and running through April 10th of the year following.

Chapter 22599, Laws of Florida, 1945, further amended Section 550.04, supra, by eliminating the provision for a shorter dog racing season and fixing same permanently to extend from November 15th to and including May 31st of the year following. While this act was under consideration by the Legislature, War Mobilization Director Fred Vinson,
who had succeeded Mr. Justice Byrnes, determined that the war situation no longer required the ban on racing and announced that effective May 12, 1945, same would be lifted. As a means of making up for the loss of revenue to the State due to the racing ban and to assist the numerous dog owners and trainers as well as the operators of dog tracks, the Legislature included in this act a provision extending the 1944-1945 dog racing season through November 14, 1945, and authorized any dog tracks which had not completed forty days or more of racing to conduct race meetings of sixty days in counties having only one track or forty days in counties having more than one track, at any time during such emergency extension of the 1944-1945 season.

Thus far it appears that all eligible dog track operators will avail themselves of this summer meet provision, except possibly St. Petersburg Kennel Club.

Although the present figures are not sufficient basis for conclusion, it appears that the additional tax of two percent upon dog track parimutuel pools has had little effect upon the wagering. During the period from May 12, 1945, to June 30, 1945, the amount of play at three tracks then operating exceeded play at those same tracks during a comparable period in the 1943-1944 winter meets. The additional tax of two percent produced from these three tracks the total amount of $165,911.48, while the tax of fifty percent of the breaks at the same time produced the total amount of $43,477.36, in additional revenue to the state. These additional taxes, added to the basic tax of three percent and the tax upon admissions, produced $501,252.56 in revenue to the State from May 12, 1945, to June 30, 1945, with only three tracks in operation at the time. This offsets, somewhat, the emergency appropriation needed by State Welfare Board as hereinabove mentioned. Based upon these early returns of seven weeks of dog racing to the end of the present fiscal year it is estimated that dog racing in Florida from July 1, 1945, to November 14, 1945, should produce further additional revenues of at least $750,000.00.

Included hereafter in this report are details relating to each of the activities coming within the scope and authority of this Commission operating in the State of Florida. It is hoped that such information will be of interest and benefit to the members of the Legislature and racing industry in general.

The members of the present Commission individually and as a body pledge to you, as Governor of the State of Florida, their wholehearted desire to serve the State and operate this Commission upon a strictly unbiased and businesslike basis. Consideration will be given at all times to the respective interests of the State on the one hand, and the racing
industry, including the operators of the tracks, as well as the owners and trainers of horses and dogs, on the other hand. There appears to be a mutuality of interest which if nurtured carefully will result in prosperity for the State and the industry generally. Racing in Florida has become one of its outstanding attractions to the tourists, as well as to a large number of the permanent residents. It has in the past been conducted for the most part upon a very high plane and we pledge our best efforts to keep it so.

Respectfully,

FLORIDA STATE RACING COMMISSION
