

Three Card Poker

- Rules specifying how the game is played: Game is dealt from a 52 card deck. All players place an ante prior to the deal. Three cards will be dealt face down starting to the left of the dealer and proceeding clockwise. Starting with the player to the immediate left of the dealer the player must either bet or fold. Subsequent players must either bet or fold until all players have acted. The winning hand is either the last hand remaining or the highest hand based on standard poker hand rankings.
- Procedures for wagering during the conduct of the game: Each player will post a blind bet prior to receiving their cards. After receiving 3 cards, each player, beginning with the player to the dealers left, will have the option to place another wager or fold their hand. Play continues until each player either folds or calls the bet.
