- The board handled two disciplinary cases and several applications.
- The board reviewed a letter from Raul Rodriguez, Chairman, Florida Building Commission, to Blake Dunn, Southern Conference, National Council of Architectural Registration Boards, concerning the two-hour advanced course requirement. The Southern Conference has on several occasions expressed concern that the two-hour advanced course requirement created a hardship on out-of-state licensees. The board thought Mr. Rodriguez addressed the concerns of the Southern Conference and indicated there was no longer a need for Ms. Chastain to respond. In his response, Mr. Rodriguez indicated the requirement is statutorily mandated and not at the discretion of the Commission or the Board.
