

**Florida Board of Architecture and Interior Design
Interior Design Programs or Curricula Approved by the Board
As of September 20, 2017**

The following programs or curricula are approved by the Board as meeting the statutory and rule educational requirements for examination and licensure in Florida. The Board is not an accrediting body and does not claim that the following programs or curricula are acceptable by the Council for Interior Design Accreditation (CIDA) formerly known as the Foundation for Interior Design Education Research (FIDER).

The programs are valid for two years from the date of approval. Schools, Colleges, or Universities interested in having their program evaluated for Board approval should refer to Chapter 481.209(2), Florida Statutes and Rule 61G1-22.003, Florida Administrative Code for the minimum requirements and contact the Board office at Terri.McEwen@MyFloridaLicense.com for program submittal.

Students enrolled in or individuals that have graduated from an interior design program not accredited by CIDA or approved by the Board may apply to the Board for curricula review.

The Board accepts CIDA programs for examination and licensure. This list does not reflect those programs. You can visit their web site at www.accredit-id.org.
