Major Issues/Actions

- Interim Secretary Liem met with the board and spoke of the customer service accomplishments made within the department.
- Ms. Parson presented nine disciplinary cases to the board.
- Mr. Flynn presented proposed rule language to the board on the reinstatement of a null and void license. The language addresses the issue noted by the Joint Administrative Procedures Committee (JAPC) of multiple form numbers on the application. The application was revised to show only one form number throughout.
- The board received its financial report for the period of September 30, 2009. The recovery fund operating account has a balance of \$484,583. The operating account has a balance of \$138,446. The unlicensed activity account has a balance of \$34,507.
- Mr. Wilson met with the board and provided a presentation on the unlicensed activity efforts made within the division of regulation.
- The board reviewed one recovery fund application. Upon final review the members voted to deny the application for lack of supporting information and untimely submission for the claim.

- The board members received a presentation from the department's call center. The review included a tour within the center and an explanation of how calls are routed for response by the agents. The board expressed appreciation for the opportunity to review the operations and the work being done by the department.
- The board will meet on June 14, 2010 for its next meeting in conjunction with the annual convention held by the Florida Auctioneer Association in Lake Mary, Florida.
