- Chair Magda indicated that textbooks used for development of written examination questions were approved by the former board and the approved textbooks may not have been reported to the schools

- Chair Madga informed Mr. Sam Humphries, Commission for Independent Education, of the lack of communication between the board and the schools and that the board has been asking for assistance for many years
- Ms. Ruth Mandell, Florida Barber Academy, stated that the board has no idea what textbooks are being used by the schools as the books and other documentation is never reviewed by the board and is submitted directly to the Commission for Independent Education
- Ms. Mandell suggested the board consider requiring all licensees to attend at least one board meeting per renewal cycle as a continuing education requirement
- Ms. Malone reported that she has suspended preparation of the board newsletter until the most recent rule changes are adopted so that these changes can be incorporated into the newsletter

- Ms. Guillemette advised the board that JAPC rejected their proposed suspension authority language contained in 61G3-21.014, Florida Administrative Code; after discussion, the board approved the following language:
  1. The Board shall suspend any license issued pursuant to Chapter 476, Florida Statutes, in a case where the licensee has engaged in:
    - a. Gross malpractice or gross incompetency in the practice of barbering;
    - b. Practice by a person knowingly having an infectious or contagious disease; or

- Mr. Jackie Lombardi, Florida Barber Academy, inquired about the monitoring of signatures on applications as he knows of individuals who are downloading applications from the Internet and signing as instructors on their own applications; Ms. Malone will research the possibility of changing the barber application forms require as attachments information such as transcripts or certified diplomas for validation purposes
- The board approved the barber examiner/trainee application of Mr. Robert Venci
- Chair Magda asked Ms. Feliciano to determine if there are any south Florida schools willing to offer the practical examination at their locations once the new examination rules are effective

- Chair Magda asked that the following items be placed on the next board meeting for discussion: barbering schools, apprenticeship, barbering definitions, reciprocity, and standardization
- The board agreed to conduct its next board meeting in Orlando, Florida, on Monday, May 3, 2004, at 9 a.m.

### **III. Legislation/Rule Promulgation**

- Ms. Malone will relay to the department the following concerns with the proposed legislation drafted by Rep. Harper regarding apprenticeship:
  - The proposal does not reach the goal of licensure;
  - The proposal allows for unlicensed activity with little or no training or testing;
  - The expense to monitor apprentices and sponsors exceeds the proposed fee and benefit to the barbering industry and the public;
  - The proposal does not allow the board to consider the competency of a sponsor;
  - The proposal allows a sponsor to circumvent board approval when a sponsor appoints a temporary sponsor in their absence;
  - The proposal lowers barbering standards in Florida; and
  - The proposal allows for cheap, substandard alternatives in the marketplace which will create an unnecessary salary cap
- Ms. Guillemette will file rules 61G3-16.001, 61G3-16.010, 61G3-16.006, and 61G3-16.007, Florida Administrative Code, as amended and approved by the board
