They also agreed that a violation of this rule, or any part of this rule, would not be designated as a minor violation.

(1) Individuals who seek to be eligible to take the licensure examination for a restricted license to practice barbering by having completed a restricted barber course shall submit with their application satisfactory proof of their successful completion of such course at a school of barbering licensed pursuant to Chapter 1005, F.S., a barbering program within the public school system, or a government-operated barbering program in the State of Florida. This paragraph (c) shall become null and void and be of no effect on January 1, 2021.

(2) Individuals who seek to be eligible to take the licensure examination for a restricted license to practice barbering by holding or having held within the five years immediately preceding the date of application an active valid license, certificate, or registration to practice barbering which has been issued by another state or country, shall provide with their application a copy of all licenses, certificates, or registrations issued to the applicant by any other state or country; together with a statement from each agency, organization, or authority that issued the licenses, certificates, or registrations which is dated within three months of the date of the application, and which states that the applicant has not been disciplined by the agency, organization, or authority for acts related to the practice of barbering within the previous five years.
