Failure to provide this information may result in further requests for information and delay the investigation of your complaint.

If an investigation of any subject is undertaken, the Department will furnish to the subject or the subject's attorney a copy of the complaint or document that resulted in the initiation of the investigation.

Pursuant to [Chapter 455](#), Florida Statutes, the complaint and all information obtained pursuant to the investigation by the Department are confidential and exempt from public records requests until 10 days after probable cause is found to exist, or until the subject of the investigation waives his or her privilege of confidentiality, whichever occurs first. However, the exemption does not apply to actions against unlicensed persons or unless otherwise provided by law.
