Major Issues/Actions

- The council reviewed the financial accounts for the period ending December 31, 2006. The operating account has a balance of \$1,523,193, and the unlicensed activity account has a balance of \$130,643.
- The council was advised the spring newsletter will be published on the web page in the near future and it will contain a link for readers to subscribe to it. The council has requested the spring newsletter be distributed in the mail so more individuals will have an opportunity to read the notice regarding receiving future versions of the newsletter on the Internet.
- The council requested Michael Green, unlicensed activity coordinator, to appear at the next meeting scheduled for August 10, 2007 in Sarasota to brief the members on the public service announcement regarding unlicensed activity.
- The council requested information on board appointments from the Office of the Governor. The members were advised the department has submitted information on prospective members but no appointments have been made. The group was also advised when appointments are made the department will issue an announcement to the group.
