

Halsey Beshears, Secretary

Ron DeSantis, Governor

This form should ONLY be submitted by existing licensees who have a CURRENT, ACTIVE license issued by the Construction Industry Licensing Board and who are seeking exemptions from both the Trade Knowledge portion(s) of the exam and the Business and Finance exam.

If you DO NOT have a Current, Active license, you are still required to take the Business and Finance Exam. Please submit the CILB 1 application where you can select the option to be exempted from the Trade Knowledge portion(s) based on receiving a baccalaureate degree in building construction from an accredited 4-year college and having a GPA of 3.0 or higher.

If you qualify for this exemption, please confirm by checking the boxes below.

I affirm, pursuant to section 559.79, Florida Statutes (and the penalties cited therein), that I have earned a baccalaureate degree in building construction from an accredited 4-year college with a grade point average of 3.0 or higher. I am requesting to be exempted from the Trade Knowledge portion of the exam on this basis

AND

I affirm that I have a Current, Active license and have previously passed the Business and Finance exam.

Select the Trade Knowledge examination for which you are seeking exemption below.
