OLD BUSINESS

Removal of old materials from laptop.

Any updates on the insurance for the Board members? No.

NEW BUSINESS

Board members have an issue with allowing applicants to withdraw after they have been denied. Once they remove the denial, then they don't have to check they've been denied on their application.

When the Board vacates a previous denial it's usually an honest misunderstanding, and usually a legitimate reason.

The Board requests a special meeting to discuss actions taken on the board.

With no further business the meeting was adjourned at 10:47am.
