APPLICATION REVIEW

Additional Business Applications

See attachment for a list of applicants that were present during this portion of the meeting:

The Court Reporter swore in, as a group, the applicants and those persons providing testimony on behalf of the applicant. During the review each applicant and their respective designees were interviewed in turn and answered general questions concerning the business entity they wished to qualify and direct questions concerning their understanding of their responsibilities and obligations as primary qualifying agent.

Mr. Bassett asked of the second business applicants collectively as a group:

“Do you understand that you will be legally responsible for every job undertaken by this business?”

“Do you understand that you will be financially responsible for every job undertaken by this business?”

“Do you understand that you are required to approve the work done on every job undertaken by this business?”

“Do you understand that your license is dependent upon how seriously you take these responsibilities?”

Each applicant answered affirmatively to each of the preceding questions.

The Board stated that this rule would not be a minor violation pursuant to Section 120.695, F.S.

The approved draft language was as follows:

61G6-9.005 Registration of Course Providers.

(1)(a) Each course provider must register with the Board prior to submitting any continuing education courses to be conducted by a course provider to the Board for approval.

(b) A university or college which is regionally accredited by an accrediting agency recognized by the United States Department of Education (USDOE); and which university or college offers courses in the contracting areas specified in Part II, Chapter

489, F.S., and pursuant to Rule Chapter 61G6-9, F.A.C., will be approved as a course provider upon submitting an application to the Board.

(2) The application for registration must be submitted on the ECLB Continuing Education Provider Approval Application, form number, DBPR ECLB 11, 07/10/2012BPR/ECLB/CONT.ED.PROV.APP/REV/4/2001, with instructions, hereby incorporated by reference, copies of which are provided by the Board upon request and must include the name, address, phone number and facsimile number of the course provider. The registration must also include the name and address of each person or entity who has an ownership interest in the course sponsor or who is entitled to receive any portion of the revenues from the course provider. A course provider making an application to offer interactive distance education must submit evidence of the following:

(a) That the course contains a high level of interactivity which promotes student involvement, and demonstrates that the program measures learning and assesses mastery of content at regular intervals.

(b) That the course provider will be able to monitor student enrollment, participation, and course completion.

(c) That the course provider can demonstrate that stated course hours are consistent with the actual hours it takes to complete the course.

(d) That the course provider has qualified instructor(s) available to answer questions and provide the students with the necessary assistance during the duration of the course.

(e) That the student shall be required to complete and submit a statement at the end of the course that he/she has personally completed each module of instruction.

(3) The course provider registration is valid until May 31st of odd numbered years from the date of issue.

(4) The course provider must submit to the Board, in writing, notice of any changes in the information provided in the initial application for registration of the course sponsor. The notification must be made within 30 days following the date the change is effective.

(5) The Board shall maintain a list of all course providers registered with the Board.

(6) The Board shall deny registration of, suspend, or revoke the registration of any course provider if any of the following acts or omissions occur:

(a) Obtaining or attempting to obtain registration or course approval through fraud, deceit, false statements, or misrepresentation of material facts, whether such statements or misrepresentations are made knowingly or negligently.

(b) Failing to provide complete and accurate information in the initial application for registration or in any notification of change in information.

(c) Failing to notify the Board of a change in the information required in subsection (4) for registration of course providers.

(d) Falsifying of any records regarding the continuing education courses conducted by the course provider or the persons who attended the courses.

(e) Failing to maintain any required records regarding the continuing education courses conducted by the course provider or the persons who attended the courses, including the failure to report the names and license numbers of all persons who attended any approved courses.

(f) Failing to train the staff responsible for taking attendance at any approved course or completing the attendance forms.

(g) Failing to provide the Board with copies of any document or other information required to be maintained by the course provider pursuant to this rule.

(h) Advertising that a course has been approved by the Board prior to the date the

approval is granted.

(i) Participating in any activity designed or intended to circumvent or evade the requirements of Section 489.517, F.S., or the rules adopted by the Board to implement that section.

(j) Failing to identify the number of approved continuing education hours in any course brochures, advertisements, or course completion certificates.

(k) Failure to provide the attendee list to the Department in an electronic format or otherwise violate provisions in Section 455.2178(1), F.S. Rule 61-6.015, F.A.C.

(7) In the event of suspension or revocation of a course provider's registration, the Board shall require the course provider to cancel the scheduled courses and refund all fees collected by the course provider in connection with any scheduled course.

(8) The Board shall deny approval of, suspend, or revoke the registration of any course provider if any person or entity required to be disclosed in the registration was also disclosed (or was required to be disclosed) in the registration of any course provider who has been suspended or revoked by the Board.

(9) The provider must comply with the requirements stated in Section 455.2178, Florida Statutes, subsection 61-6.015(5), F.A.C., as a condition of approval as a course provider.

(10) The course provider shall not offer any continuing education courses if the provider status is in a delinquent or expired status.

Rule 61G6 – 9.006, F.A.C.

MOTION: Mr. Flaherty made a motion to approve the draft language and to open this rule for development.

SECOND: Mr. Tibbs.

Motion passed unanimously.

MOTION: Mr. Flaherty made a motion there was no adverse financial impact in excess of \$200,000 in one year or \$500,000 over five years and no Statement of Estimated Regulatory Costs was required.

SECOND: Mr. Tibbs.

Motion passed unanimously.

The Board stated that this rule would not be a minor violation pursuant to Section 120.695, F.S.

The approved draft language was as follows:

61G6-9.006 Approval of Continuing Education Courses.

(1)(a) Any registered course provider may submit an application, on a form provided by the Department, for approval of a continuing education course. Copies of which may be obtained from the Board office.

(b) Those courses offered by a university or college which is regionally accredited by an accrediting agency recognized by the United States Department of Education (USDOE);

and which university or college offers courses in the contracting areas specified in Chapter 489, Part II, F.S., and pursuant to Rule Chapter 61G6-9, F.A.C., shall be approved upon receipt of a completed course application and the Board shall not charge a fee for such approval.

(2) Upon receipt of a course application and the appropriate fee, the Board shall approve any, seminar or conference in the electrical or alarm system contracting area provided by any university, community college, vocational-technical center, public or private school, firm, association, organization, person, corporation, or entity which meets the criteria provided in this rule.

(3) Any course approved for the continuing education requirements for persons certified under Chapter 468, Part XII, F.S., shall be accepted for continuing education for renewal under this rule, for persons who are certified under Part XII and who are certified or registered under this part.

(4) The application shall include the total number of classroom hours, the course syllabus, a detailed outline of the contents of the course, the name and qualifications of all instructors known at the time of the application and the minimum qualifications of any instructors not known at the time of application.

(5) The Board shall approve continuing education courses which appropriately relate to the general business skills or the technical skills required of certificateholders or registrants, and which is taught by qualified instructors.

(6) A continuing education course which addresses specific technical materials or trade knowledge shall be approved if applicable to a specific category or categories of contractor as defined in Section 489.505, F.S.

(7) Continuing education course approval is valid until May 31st of odd numbered years, provided no substantial change is made in the course.

(8) The Board shall approve or deny any application for a continuing education course at the next regularly scheduled Board meeting, provided the application is filed with the agency within forty five (45) days of that meeting. If the application is denied, the Board shall identify the specific reasons for the denial in writing.

(9) A course which has been denied may be resubmitted to the Board with modifications.

(10) The Board shall not deny nor withdraw approval for any course on the basis that another course provider is conducting the same or similar course approved by the Board.

(11) Of the required 14 continuing education hours, a licensee may earn three business hours credit by attending, for at least three hours, a meeting of the Board wherein disciplinary cases are considered. Licensees must attend the complete agenda of disciplinary cases to receive the continuing education hours. The licensee must check in with the Clerk of the Board prior to the beginning of disciplinary proceedings. Credit hours may not be earned when the licensee attends a disciplinary case session as a party to a disciplinary action. A licensee may receive continuing education credit for attending the Board meeting only if he or she is attending on that date solely for continuing education credit; he or she may not receive continuing education credit if appearing at the Board meeting for any other purpose.

(12) The Board shall grant a maximum of seven (7) continuing education credits to any licensee who participates in examination development with the approval of the Board upon submission of documentation of such participation by the Department or a testing provider under contract with the Department. The licensee shall use such credits for the

current renewal cycle and provide documentation of participation at least ninety days prior to the end of the renewal cycle.

(13) Providers shall use the following prefixes to designate the number of approved hours in each of the four statutorily mandated categories: "T" for technical subjects, "C" for workers' compensation, "S" for workplace safety, and "B" for business practices.

(14) The Board shall grant a maximum of four (4) continuing education credits to any licensee who participates as a member of any technical advisory committee to the Florida Building Code Commission ~~within the Department of Community Affairs~~. The licensee shall use such credits for the current renewal cycle and provide documentation of participation at least ninety days prior to the end of the renewal cycle.

(15) Board members may receive three (3) hours of general continuing education credit per biennium for participation at Board meetings.
