APPLICATION REVIEW

Additional Business Applications

During the review each applicant and their respective designees were interviewed in turn and answered general questions concerning the business entity they wished to qualify and direct questions concerning their understanding of their responsibilities and obligations as primary qualifying agent.

Mr. Bassett asked of the second business applicants collectively as a group:

- “Do you understand that you will be legally responsible for every job undertaken by this business?”*
- “Do you understand that you will be financially responsible for every job undertaken by this business?”*
- “Do you understand that you are required to approve the work done on every job undertaken by this business?”*

Do you understand that your license is dependent upon how seriously you take these responsibilities?"

Each applicant answered affirmatively to each of the preceding questions.

See attachment for a list of applicants and the action taken on their applications at this meeting.
