Legislation/Rule Promulgation

- Revisions to Rule 61G16-10.002, F.A.C., the change of status rule, went into effect on December 31, 2006. This rule deals with the sale or transfer of a majority of business assets and requires that an application be completed (Form # EL-4511) and approved by the board. The sale or transfer of a majority of business assets causes a change from the original license and allows the board to regulate such changes.
