## VI. **REPORTS**

### A. **Office of the Attorney General – Garnett Chisenhall**

Mr. Chisenhall stated at the February meeting the board directed him to review the change of ownership application to ensure that what is asked for in the statutes and rules is what is asked for in the application, specifically requiring the submission of a new workers' compensation certificate of insurance with the application.

He advised that after careful review of the statutes and rules, there is no requirement for submission of a new certificate of insurance with the change of ownership application. He did state that if the board would like to add that as a requirement, he could bring draft proposed language to the April 2008 meeting.

Mr. Moore asked Mr. Chisenhall to provide draft proposed language for board review at the April meeting.
