- The board reviewed one application for a controlling person which was tabled until the September 2011 meeting.
- The board reviewed and approved one application for a De Minimis exemption and registration.
- The board discussed a request for public records which included a request for financial information for a company. The request was denied by the Department as the Department considers financial information confidential as stated in s. 468.529 F.S. The board voted that financial information supplied by applicants and licensees to the board are trades secrets and/or exempt from the Public Records Act. The vote was unanimous.

Legislation/Rule Promulgation

- New language was approved by the board for Rule G1G7-10.002 F.A.C. The language removed the change of status reporting time. Any change of status will have to submit a new application with financial information within 30 days by any form of mail that provides the sender with delivery conformation.
