Continuing discussion regarding the establishment of a GIT (Geologist in Training) program. The Board staff presented the total number of exams administered in the last 2 years to assist in determining if the program would be beneficial to the Florida geological community. Ms. Coton presented a survey of other state GIT programs. Discussion to be continued.

Legislation/Rule Promulgation

Board Counsel reviewed new legislation, SB 1012 with the Board. Changes to 455.271 F.S. regarding reinstatement of licensure. The Board voted to decline to develop Rules to implement the provision at this time.

Board reviewed several letters from concerned licensees regarding the final draft of the proposed new rules in the area of disciplinary guidelines and penalties, 61G16-9. These individuals expressed concern that the penalties for certain violations were excessive. The Board and Counsel made adjustments to the guidelines based on this input.

61G16-9 Disciplinary Guidelines: filed for adoption 6/13/05

Next Meeting: October 26-27, 2005   Tallahassee
