II. Major Issues/Actions

- The board heard one petition for declaratory statement requesting clarification on Rule 61G10-15.005, Florida Administrative Code (FAC), responsible supervision. The board's opinion was the rule does not prohibit a licensee from qualifying and supervising more than one qualified business entity.
- The board reviewed a request for rule variance and waiver from Mr. Mike Sosadeeter. Mr. Sosadeeter petitioned the board to waive the requirement of Rule 61G10-11.004, FAC, practical experience, that to be qualified for licensure an applicant must serve one year under the direct supervision of a licensed landscape architect. Mr. Sosadeeter holds a Master's degree in landscape architecture and has had over twenty years of experience. The board granted the rule variance and waiver request.
- The board asked Ms. Guillemette to notice Rule 61G10-18.001, FAC, continuing education, for development. The board believes that 61G10-18.001(4)(c), FAC, is too restrictive in not allowing board members to receive two hours of continuing education credits in laws and rules for board attendance.
- The board asked that Rule 61G10-15.005, FAC, responsible supervision, be discussed at the next board meeting.

III. Legislation/Rule Promulgation

- Notice Rule 61G10-18.001, FAC, continuing education, for development.

IV. Action Required

- Ms. Guillemette to prepare orders.
- The next board meeting will be held on July 25, 2007, in Miami.
