

ATTENTION:

The Department is currently **not** accepting applications for the deputy pilot examination. Examinations are generally given in March of each year if a port has declared an opening. Port openings are announced in September or October of each year and the deadline for application submission is generally in December.

If you would like to be placed on the interested parties list for an upcoming examination and/or port announcements, please contact the board office.

[Click here to continue to the application.](#)
