

Certified Residential Appraiser Requirements in the State of Florida

- > Successfully complete 200 classroom hours of [board-approved courses](#) covering the topics required by the Appraiser Qualifications Board (AQB) in subjects related to real estate appraisal and an official, certified transcript providing proof of a Bachelor's Degree. This must include 15 hours of the [Uniform Standards of Professional Appraisal Practice](#). Past courses may be approved by the board and substituted on an-hour-for-hour basis.
- > Submit a completed application, fingerprint card, and appropriate fee.
- > On an [RE 2300 Form](#), provide evidence of 2,500 hours of real property appraisal experience obtained over a 24-month period in real property appraisal by furnishing, under oath, a detailed statement of the experience for each year of experience claimed. The experience claimed must have been acquired in no less than 24 months. Upon request, the applicant must provide the appraisal board, for its examination, copies of appraisal reports to support the claim for experience.
- > Pass the [Residential National Exam](#) and Florida Supplemental Exam.
- > All appraisers are now required to register the firm or business name and location where they conduct appraisal services. To do so, you must submit a [FREAB 18](#) form to the Department to register or change your Business/Firm information.
