

**Florida Division of Real Estate
Real Estate Appraiser (RI, RH, RZ, RD)**

**Renewal information for involuntary inactive licensees expired November 30, 2020
This is the last renewal notification you will receive prior to your license going null
and void on December 1, 2024 (ET).**

There is a \$5 unlicensed activity fee waiver implemented this renewal period.

Every day we work to improve the way we do business in order to serve you better. **A copy of your license will be sent to the email address associated with your online account once you renew your license.** This process significantly reduces the amount of time it would have otherwise taken for you to receive your license in the mail. The Department will no longer print and mail initial, renewed or duplicate licenses.

If you wish to print your license at any time in the future you may do so using your secure online account with the Department. Please log into www.MyFloridaLicense.com to access your account and follow the step by step instructions on how to print your license.

Additionally, after you have created an online account and linked your license, you may view a copy of your professional license on your mobile device using the DBPR mobile application. You may download the DBPR mobile application from the Apple App Store or Google Play. Once you have installed the application, select "My License" and enter the same login and password information that you used to create your online account to view a copy of your professional license.

Continuing education

- **Continuing Education is a requirement for active AND inactive renewal.** You will be unable to renew your license until your applicable continuing education requirements are fully satisfied and reported by the course provider. You may verify your course credits by logging into your DBPR online services account at www.MyFloridaLicense.com. If you feel there are discrepancies in your account, please contact your provider.
