THERE SHOULD BE A SEPARATE LOG SHEET FOR EACH EXPERIENCE TYPE (separate pages for fee/staff, separate pages for review experience, etc).**
3. **Report Date:** This is the effective date of the appraisal. It should be noted if this is a prospective or a retrospective effective date. The date the appraisal is transmitted and signed should also be included.
4. **Property Type:** Residential (1-4 residential units), Multi family/commercial, etc.
5. **Property Address:** The physical address of the subject property. You may include the file number behind the address, but the physical location of the subject property must be listed. You may use more than one line for each address (number and street on one line, with city and state on the second line).

7. **Work Performed:** Describe your contribution to the appraisal (research, inspection, analysis, complete appraisal, etc.)
8. **Form Type:** If the report is completed on a form, report the form number. If the form is not numbered, include a descriptive phrase (e.g. land). If the report is a narrative report, the word "Narrative" should be inserted here.
9. **Number of Hours:** This is the total number of hours it took to complete the assignment (actual hours worked on the appraisal). This is attested to by the supervisor's signature.
10. **Applicant Signature/Designation:** The signature of the applicant who is completing the log is required as well as the **current** designation of that applicant (e.g. Trainee, Licensed, Certified Residential, etc.) This also applies to out-of-state applicants who are required to insert their out-of-state designation.
11. **Supervisor's Signature/Designation:** The signature of the supervisor for the applicant who worked on the appraisals listed on the individual pages of the log is required (e.g. Licensed, Certified Residential, or Certified General). The current designation of the supervisor is also required. **PLEASE NOTE:** This requirement only applies to those applicants that currently require supervision (Florida trainees, as well as any out-of-state entry level licensees).
12. **Date:** This is the date the applicant and supervisor (where applicable) signed each page of the log. Since the log should represent a chronological progression of assignments completed, this date should coincide with the date of the last appraisal listed on each page.
