

CONSTRUCTION SCHOOLS AND BOOKSTORES

The Department of Business and Professional Regulation cannot recommend or endorse a particular construction school or bookstore. The list provided below includes all of the construction schools and bookstores that we are currently aware of. It is provided solely as a courtesy to assist you in locating resources. The Department specifically disclaims any responsibility for the quality or cost of services provided by the institutions listed below.

Additionally, please be aware of false information in circulation, regarding "special calculators" and/or "exam questions," answers and references that Florida uses. This includes the sale of these exam questions, described as "necessary tools" to pass the licensure exam. These claims are false, so beware of any party requesting payment of licensing fees upfront to secure your license after passing the exam.

Candidates please be advised that some of the schools have other locations through out Florida but cannot be displayed on these pages. Visit their "Home Page" and search for other locations.
