

CONSTRUCTION INDUSTRY LICENSING BOARD REFERENCE UPDATE FLYER

For the April 2012 Examinations Only

These references are the approved standards issued by the Construction Industry Licensing Board (CILB) for this examination. The answers to the examination questions will be based on the editions listed below. Some of the questions will also be based on field experience and knowledge of trade practices. Editions earlier or later than those listed below can be brought to the examination but **AT YOUR OWN RISK**. However, only one copy of each reference will be allowed into the examination.

Attention All Examinations Candidates:

The Florida Building Code, 2007 with updates and the R140 Energy Efficient Building, 2009 will be used for the April 2012 examination only.
